

A TIME OF OPPORTUNITY

Sports Chaplaincy UK is pleased to invite you to a focused vision-setting day for chaplains involved in...

Lower League Football

Wednesday 3rd June 2015

Free Church Group Centre, 27, Tavistock Square, London, WC1H 9HH

10.30 – 3.30 pm

(refreshments served from 10.30am)

WHAT?

Lower League Football has seen remarkable growth in Sports Chaplaincy in the past few years. In particular the Football Conference has given considerable profile and support and some chaplains are now working with academies, community departments and even as Club Directors. In addition chaplains are finding exciting openings at all levels of the football pyramid.

COST

To achieve this we hope you can be with us. The day is free for Sports Chaplaincy UK members and £12.50 for non members (including lunch).

WHY?

The previous two Lower League days have had high quality input from the PFA, Conference and Supporters Direct. Given the openings and various models of good chaplaincy practice we are organising a facilitated time to hear from each other and then develop a common dream, vision and plan for the coming years.

BOOKING

RSVP admin@sportschaplaincy.org.uk to book in for the day or raise any questions.
